

Tickenham Parish Council

Thursday 9th July 2020 at 7.00 p.m.

Due to the current restrictions due to the Coronavirus pandemic, this meeting of the Council will be held by video/telephone link.

Please see below those items that are for information only and those that are for decision.

1. MINUTES of the meeting held on 11th June 2020 (enclosed)

ITEMS FOR INFORMATION

2. Coronavirus pandemic: Just a trickle of requests in the last month, to which our volunteers responded. Contact has been made with residents who have used the service to collect the payments which have been re-imbursed to the volunteers. One resident said, "Please thank all the volunteers who stepped in to help people like me at the outset of lockdown. I don't really know what I'd've done without them!"
3. Land near Baye Cottage: No response from Avon and Somerset Constabulary regarding damage to an area of nature conservation interest.
4. Highways: Residents have been trying to identify the owners of lorries speeding through the village: when they are unladen they are very noisy. They are not National Grid contractors.

A resident was concerned that NG had been digging outside his house (11 Stone Edge Batch) for four nights in a row. The Clerk reported to NG.

5. Village Hall Car Park
At a meeting of the Field Management Committee it was suggested that a CCTV camera be installed to cover the rear car park. Following discussions between the Hall Chairman, Cllr Banks and the Clerk, a camera was donated and has been installed. On the evening of 28th June, police were seen speaking to the occupants of two vehicles in the rear car park.
6. Children's Play Area
People wishing to access Cadbury Camp have been going through the play area and climbing over the fence on the northern side (belonging to Mr Adrian Brooks.) After discussions with Cllr John Banks, the Clerk authorised expenditure of £43 plus VAT for a sign indicating no access to Cadbury Camp and directing people to the public footpath.
7. Village Hall – Cllr Pam Trenchard to report
