Learning for today, inspiring for tomorrow

The Clevedon Learning Trust (CLT) was launched on 1st January 2015. The CLT is currently formed in two geographical areas, Clevedon and Bridgwater. The CLT brings with it a new, innovative and student focussed approach to education within local communities. The CLT will provide high quality education and experiences for children and families. We will achieve this through our formal school partnership, using the most effective teaching and learning strategies, the best resources and facilities and the clearest progression routes for our children from the age of 0 to 18.

Tickenham Church of England Primary School is a 4-11 Primary School (105 on roll). We aim to serve the community by providing an education of the highest quality. We provide a happy, caring and stimulating environment with the children's needs at the heart of everything that we do. Our school has a clear vision and forward-thinking approach to school development, underpinned by our Church of England values and practice. We prepare our pupils for the opportunity, responsibility and experiences of later life; they are educated in a distinctive ethos that will remain with them.
