Chair's Message 2025

I am writing this on a late January day with the wind howling and the rain coming and going! The thought of Spring flowers pushing up through the soil gives one hope that the seasons will be kind to all of us this year. Sadly, we have had so much rain and heavy winds lately that I worry whether we will have any garden plots left when we venture out to begin our Spring preparations! I wish you every success with your planning, planting and growing this year.

Looking back to last year's show, what a great day we all had. One of our most successful. Sadly, we had two casualties on the day and I would like to take this opportunity of thanking all of you who helped and provided support to the two ladies concerned and those of you who went out of their way to assist the emergency services. It was greatly appreciated by us all.

So, to this year's show, we have tried to keep all your favourites in place and any adjustments will be shown on the "New to 2025" page in the schedule. We hope there is something for everyone. You don't have to have "green fingers"!

As well as Portishead Concert Band, we are going to have a Dog Show again and hope this will be a lot of fun for our canine friends and their owners! There was a lot of interest in this last year, so please check out the separate entry form enclosed with this schedule.

Parking proves to be a challenge each year. We are very fortunate to have the support of Tickenham Court who allow the parking at the bottom of the field by the Golf Course. We have limited space at this site due to a cash crop growing in August. We are endeavouring to find additional parking in the village and this will be signposted. Please be guided by our Stewards at each site.

I cannot pass up this moment without saying how none of this would have been achieved without the hard work of your Flower Show Committee. I am so lucky to work with such a great group of people who really appreciate how important our show is to the village. Long may this continue! Of course to assist this, we could always use more help. If you think you could join us to ensure the show continues, please let me know or one of the committee. Thank you.

This year, as before, the show will open at 12.30pm. We hope to open the marquee at this time but if there is a small delay please note that the WI will be serving teas, coffees and warmed quiche in the Village Hall. We are very grateful to the Ladies of Tickenham WI providing this service. You should also be able to purchase from our hog roast provider parked on the field.

For those using the free Car Parking facilities, please follow the instructions from our car parking stewards. Again, these stewards will be readily identified at the time with our yellow hi-vis.

During the Show, we have limited chairs available on the day. If possible, please can you bring a chair with you.

NEW – Last year at the Show an incident occurred where one of our helpers was verbally abused. Please be aware that all of us at the Show are volunteers and we will not tolerate rudeness or unacceptable behaviour towards anyone on the day. If this happens again, the person concerned will be asked to leave the Show.

Some housekeeping:

Should there need to be an evacuation from the show, whether from the field or the hall, please follow instructions from our stewards who will be easily identified at this time wearing our yellow hi-vis jackets. Please listen to PA instructions.

For those using the Car Park adjacent to the Golf Course. Please follow the instructions from our car parking stewards. Again, these stewards will be readily identified at the time wearing our yellow hi-vis jackets.

Childhood Memories

I was happy when I was a lad. It wasn't all good, but it wasn't half bad.

We played with sticks we played with stones; we built ourselves dens that we called homes.

We explored the woods, we climbed the trees, and we played with marbles on our knees.

Conkers in season we threaded with string. If your opponent missed, your knuckles would sting.

We built trolleys with old pram wheels. We were often too busy to go home for our meals.

We made catapults, bows and arrows and spears, quite often resulting in painful tears.

We scrumped apples, plums and pears; of getting caught, we had no cares.

In fact, we were often caught, and our ears clipped, no smart replies - we never lipped.

During the long school summer holidays when the sun shone bright, we played outside from morning to night.

War games, tin can tommy, hide and seek, Such fun we'd have, what havoc we'd wreak.

Raiding allotments, pinching what grew. We'd get a good hiding if our parents knew.

Round blazing open fires on logs we would sit. In the pitch-black night our faces it lit.

We'd have singsongs and tell tales of ghosts, of things we had done, exaggerated boasts.

Now looking back, such a long time it seems. Sometimes I wonder was it all in my dreams.

But then I remember all the things that I did, could only be done when I was a kid!

Science – Life on Mars

*So there is flowing water on the Mars planet
That is a prerequisite for life to survive on it
Will it be little green men who are very clean
Or just amoebas that are part of the Martian scene*

*Now we are all interested as SETI has done
To find life on other planets as nature has won
What we will find will continue the mystery
Of what God has created in the universe's history*

Life On Mars

*they say they've discovered
water on mars
a great frozen reservoir
so I'm asking – where's ours?
the dust of the red dirt
clogs in my nose
just like it might
up on mars, I suppose
Our camels drying up
wildfires ragin
our once lush green planet
feels like it's aging
and so maybe someday
astronomers green
will aim telescopes at us
and with no life forms seen
they'll speculate on
whether life e'er existed
on that dusty third planet
'cause if it did, they missed it.*

Is there Life on Mars?

*Elon Musk has launched
An electric car into space
With David Bowie on the radio
And an astral traveller at the wheel
In spacesuit and dark visor across the face*

*Reusable rockets return to earth
And the car to Mars as a stunt
On Earth we are left with the wonder
Of this feat for space exploration
And the next thrill of it all!*
